Many economic theories depend on the presence or absence of a unit root for their validity, and econometric and statistical theory undergo considerable changes when unit roots are present. Thus, ...

Almost All about Unit Roots

New methods are developed for identifying, estimating, and performing inference with nonstationary time series that have autoregressive roots near unity. The approach subsumes unit-root (UR), local ...

ESTIMATION AND INFERENCE WITH NEAR UNIT ROOTS

Augmented intelligence gives doctors advanced notice to help them find the most critical heart failure patients. Heart failure is a common, costly condition affecting over 6 million U.S adults ...

Augmented intelligence gives doctors advanced notice to help detect heart failure

But, there are potential new leads in the murder investigation of Mya Fuller. Authorities are exploring all options – that includes vetting a possible suspect in a similar high-profile crime who ...

Detectives pursue new leads in Mya Fuller murder case

Augmented reality might allow printed books to make a comeback against the e-book trend, according to researchers. Surrey has introduced the third generation (3G) version of its Next Generation ...

Augmented reality could be the future of paper books, according to new research

David Drai, CEO and co-founder of Anodot, identifies five ways in which augmented analytics can protect the revenue of organisations There's no shortage of data in today's business world. Every aspect ...

Five ways augmented analytics is protecting business revenue

Ford is working on a new headlight tech that takes inspiration from Augmented Reality apps to project useful information on the road, especially in the dark, the company announced. Think of it as ...

Ford's High-Tech Headlights Are Augmented Reality Everyone Can See

Dr. Frank Phillips of Midwest Orthopaedics at Rush in Chicago is among the spinal surgeons at the forefront of using augmented reality during operations, as the practice becomes more common in ...

How Augmented Reality Technology in Surgeries Is Helping Athletes Recover Faster

So-called "augmented reality books" – dubbed "a-books" by their creators – are a step closer to mass-market production after a six-year project by researchers at the University of Surrey.

'Magic bookmark' revealed as key to augmented reality books

EY's plans to split its business would have "distinct benefits," the head of the UK's accounting watchdog has said. The Big Four accounting firm's plans to separate its advisory arm from ...

EY's split could have 'distinct benefits,' FRC chief says

Consulting firm EY has struck up an alliance with services provider Kyndryl to support clients in achieving their digital transformation goals. The alliance combines Kyndryl's cloud and core ...

Kyndryl and EY strike digital transformation alliance

Former Police Commissioner Mick Fuller. Picture: Toby Zerna Ashley Slaps, commander at the SES Woodburn Unit in the Northern Rivers said he was frustrated by Mr Fuller's comments after working ...

Small town SES unit desperate for volunteers after busiest year in history

Unit 12/5 Florence Fuller Crescent, Conder ACT 2906 was last sold in 2013 and 19 other 3 bedroom house in Conder have recently been sold. There are currently 3 properties for sale in Conder.
