Thinking we need meat for each meal is just basic as f*ck. We're chopping down rainforests to raise cattle and crops. If you think that's sustainable, home-skilllet, it's not. The abuse in these factories is horrendous at best. And it's time to take action, not sit back and rest. Their living conditions are filthy, they all live in fear.

"Oh for f*ck's sake" is a fairly common response to the joyful news that I'm on the journey to becoming a vegan. When I say this there are a range of facial expressions, exhortations and comments that come my way. Eyeball rolling, sighing, cursing and hair-wrenching. At the thought of my nutritional health there are!
