Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Creating the Mania takes fans backstage with an all-access pass to the behind-the-scenes stories of WrestleMania 34, which became the Mercedes-Benz Superdome's highest grossing entertainment event at \$14.1 million and a sold-out crowd of 78,133 fans. Follow the yearlong life cycle of WWE's biggest event, from how the storylines were developed to how the host city was selected, from the logistics and planning behind hosting over 70,000 members of the WWE Universe to the rivalries and matches playing out inside the ring, in a book that chronicles the events leading up to the "Showcase of the Immortals." This journey includes exclusive interviews with top Superstars, including Roman Reigns, Seth Rollins, Braun Strowman, Charlotte Flair, Sasha Banks, Kevin Owens, The Miz, and "Phenomenal" A.J. Styles, breaking down their year leading up to 'Mania and the highs and lows that go along with being a WWE Superstar - pushing their hardest, all with the same goal in mind... to main event WrestleMania.

"'Utthisht Bharat,' he said, and in that magical moment I felt that the river, the trees, and the sky...were saying, 'Utthisht Bharat.' I got up, never to look back or have doubts again." Just as the Bharata of yore responded to the Lord's call to rise up from dejection, to fulfill his glorious destiny, this modern day Bharat too rises up from the pits of despair and defeat, to set out steadily on his appointed path of duty. Bharat, an IITian, with a management degree from IIM, had a 'successful' innings in the corporate world, with overseas postings too. Having acquired a substantial bank balance, he has the urge to set up a business in rural India, which will bring greater profits to the farmers. Predictably, he is ruthlessly pushed out, and systematically ruined by the vested interests that feel threatened. Deep in despair, he gets help from a most unexpected quarter, a poor tribal snake charmer, known as Nagbaba... A gripping tale of how he comes out from the mire of debt and ruin, to rise up again, wiser but undeterred from his chosen path... A story of modern India, the two Indias of the cities and the villages... the urban, educated, elite youth with modern knowledge from science and technology, and the illiterate people of the forests, who have the wealth of wisdom passed down from centuries... the development of cities, which takes place at the cost of the proliferation of slums... the two different cultures that coexist in mutual wariness and mistrust...

Today Sunday morning worship competes with youth soccer, Starbucks, Facebook, and the allure of being "spiritual but not religious." To share the gospel in a world like this, Christians need to reach beyond the boundaries of concrete and virtual communities to become evangelists. That takes faith. It also requires skill with public relations, social media, traditional print materials and other techniques to increase church visibility. The authors, both recognized experts and consultants, walk readers through the theology of church communications and introduce steps to help us deliver clutter-busting messages to reach our technologically sophisticated and faith-challenged world.

The Book of Joby is an epic fantasy complete in one volume. Lucifer and the Creator have entered, yet again, into a wager they've made many times before, but this time, the existence of creation itself is balanced on the outcome. Born in California during the twilight years of a weary millennium, nine year old Joby Peterson dreams of blazing like a bonfire against the gathering darkness of his times, like a knight of the Round Table. Instead, he is subjected to a life of crippling self-doubt and relentless mediocrity inflicted by an enemy he did nothing to earn and cannot begin to comprehend. Though imperiled themselves, the angels are forbidden to intervene. Left to struggle with their own loyalties and the question of obedience, they watch Lucifer work virtually unhindered to turn Joby's heart of gold into ash and stone while God sits by, seemingly unconcerned. And so when he is grown to manhood, Joby's once luminous love of life seems altogether lost, and Lucifer's victory assured. What hope remains lies hidden in the beauty, warmth, and innocence of a forgotten seaside village whose odd inhabitants seem to defy the modern world's most inflexible assumptions, and in the hearts of Joby's long lost youthful love and her emotionally wounded son. But the ravenous forces of destruction that follow Joby into this concealed paradise plan to use these same things to bring him and his world to ruin. As the final struggle unfolds, one question occupies every mind in heaven and in hell. Which will prove stronger, love or rage? The Book of Joby is an instant classic of contemporary fantasy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lunarbaboon shares life's parenting moments from the perspective of a 30-something dad/husband/chaos survivor. Together with the savvy, laid back Mom, wild child Moishe, baby Matilda, and a former Julliard student (their cat), Lunarbaboon must navigate the family and social dynamics of everyday life. Ranging from the hilarious (defeating closet monsters with a "stun" blaster that offers surprising facts about bears, Mars, and cats) to the sweet (the gray scale-to color transition out of depression at the touch of a loved one), this collection explores the bonds within a family and all the characters who bring both order and chaos to life. Lunarbaboon's perfect meld of crabby humor and moments of impactful honesty give these comics a wide range and distinctive voice that's both comical and sincere.
