### PLATINUM™ 770 - HUSQVARNA VIKING®

This is an excellent review WOW - I had to read it because I too own the Platinum 770 and since it is not a new model I was surprised to see the review. I purchased mine "gently used" from a Viking dealer several years ago for right at \$1,000 or so and I think it is a very good machine. I use it fairly regularly for quilting and garment sewing and think it does an excellent job. I don't think ...

### Viking Husqvarna Instruction Manuals

This was the best info I could find on the 770, and it is actually about the 750, but talks about the 770 at the end. If you like the machine, I think the price is fair. I wish there was more info out there on it. I can't even find the harp size listed.

I just purchased my Viking Platinum 770, and although it was pricy (\$1,800) I did not want an embroidery machine but wanted a taste of one. I definitely wanted expert buttonholes, and the Viking does not disappoint! The only down side to this machine is the insufficient handbook or guidebook or workbook. I really need help with figuring out which stitches are which. My dealer helped me out ...
