Kerouac's ultimate account of his voyages with Neal Cassady.

"A blockbuster of a biography . . . absolutely magnificent."--San Francisco Chronicle Jack Kerouac--"King of the Beats," unwitting catalyst for the '60s counterculture, groundbreaking author--was a complex and compelling man: a star athlete with a literary bent; a spontaneous writer vilified by the New Critics but adored by a large, youthful readership; a devout Catholic but aspiring Buddhist; a lover of freedom plagued by crippling alcoholism. Desolate Angel follows Kerouac from his childhood in the mill town of Lowell, Massachusetts, to his early years at Columbia where he met Allen Ginsberg, William S. Burroughs, and Neal Cassady, beginning a four-way friendship that would become a sociointellectual legend. In rich detail and with sensitivity, Dennis McNally recounts Kerouac's frenetic cross-country journeys, his experiments with drugs and sexuality, his travels to Mexico and Tangier, the sudden fame that followed the publication of On the Road, the years of literary triumph, and the final near-decade of frustration and depression. Desolate Angel is a harrowing, compassionate portrait of a man and an artist set in an extraordinary social context. The metamorphosis of America from the Great Depression to the Kennedy administration is not merely the backdrop for Kerouac's life but is revealed to be an essential element of his art . . . for Kerouac was above all a witness to his exceptional times.

Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose, Jones discusses these relationships in terms of Freud's notion of the Oedipus complex."--BOOK JACKET.

"Each book by Jack Kerouac is unique, a telepathic diamond. With prose set in the middle of his mind, he reveals consciousness itself in all its syntatic elaboration, detailing the luminous emptiness of his own paranoiac confusion. Such rich natural writing is nonpareil in later half XX century, a synthesis of Proust, Céline, Thomas Wolfe, Hemingway, Genet, Thelonius Monk, Basho, Charlie Parker, and Kerouac's own athletic sacred insight. This entire short novel Tristessa's a narrative meditation studying a hen, a rooster, a dove, a cat, a chihuahua dog, family meat, and a ravishing, ravished junky lady, first in their crowded bedroom, then out to drunken streets, taco stands, & pads at dawn in Mexico City slums." "Allen Ginsberg

This book reveals the ideas behind the Beat vision which influenced the Beat sound of the songwriters who followed on from them. Having explored the thinking of Alan Watts, who coined the term "Beat Zen", and who influenced the counterculture which emerged out of the Beat movement, it celebrates Jack Kerouac as a writer in pursuit of a "beatific" vision. On this basis, the book goes on to explain the relevance of Kerouac and his friends Allen Ginsberg and Gary Snyder to songwriters who emerged in the 1960s. Not only are new, detailed readings of the lyrics of the Beatles and of Dylan given, but the range and depth of the Beat legacy within popular song is indicated by way of an overview of some important innovators: Jim Morrison, Joni Mitchell, Leonard Cohen, Donovan, the Incredible String Band, Van Morrison and Nick Drake.

- Presents the most important 20th century criticism on major works from The Odyssey through modern literature - The critical essays reflect a variety of schools of criticism - Contains critical biographies, notes on the contributing critics, a chronology of the author's life, and an index - Introductory essay by Harold Bloom"

This is the ultimate guide to Jack Kerouac's New York, packed with photos from the '50s and '60s, and filled with information and anecdotes about the people and places that made history.

A groundbreaking new biography of Jack Kerouac from the author of the award-winning memoir Minor Characters Joyce Johnson brilliantly peels away layers of the Kerouac legend in this compelling new book. Tracking Kerouac's development from his boyhood in Lowell, Massachusetts, through his fateful encounters with Allen Ginsberg, William S. Burroughs, Neal Cassady, and John Clellon Holmes to his periods of solitude and the phenomenal breakthroughs of 1951 that resulted in his composition of On the Road followed by Visions of Cody, Johnson shows how his French Canadian background drove him to forge a voice that could contain his dualities and informed his unique outsider's vision of America. This revelatory portrait deepens our understanding of a man whose life and work hold an enduring place in both popular culture and literary history.
