Jean Rhys (1894-1979) was born in Dominica. Coming to England aged 16, she drifted into various jobs before moving to Paris, where she began writing and was 'discovered' by Ford Madox Ford. Her novels, often portraying women as underdogs out to exploit their sexualities, were ahead of their time and

Voyage in the Dark by Jean Rhys In Jean Rhys' third published novel "Voyage in the Dark", the conflict the author feels between her childhood growing up in the Caribbean island of Dominica and European adulthood comes to the forefront. The novel begins with eighteen year old Anna who makes a meagre living as an actress in London.
