From Terrorism Accounts

"Walking Away from Terrorism" provides a model of  
disengagement and de-radicalization; a detailed analysis  
of the implications of the model for informing  
responses, and a strategic, systematically presented,  
point-by-point and multi-level guide for policy makers  
for facilitating de-radicalization processes at a variety  
of political, social and legal levels.

accessible new book looks at how and why individuals leave terrorist movements, and considers the lessons and implications that emerge from this process.

Focusing on the tipping points for disengagement from groups such as Al Qaeda, the IRA and the UVF, this volume is informed by the dramatic and sometimes extraordinary accounts that the terrorists themselves offered to the author about why they left terrorism behind.
