We Are Market Basket is an engrossing account of the large protests and rallies held by the employees
of the Market Basket supermarket chain over the board of directors' firing of the company's revered
CEO, Arthur T. Demoulas ("Arthur T."), on June 23, 2014. In addition to telling this very human story
about real people attempting to overcome obstacles and resolve conflict, We Are Market Basket
recounts the history of the supermarket chain, beginning with its founding in Lowell ...

A market basket or commodity bundle is a fixed list of items, in given proportions. Its most common use is to track the progress of inflation in an economy or specific market. That is, to measure the changes in the value of money over time. A market basket is also used with the theory of purchasing price parity to measure the value of money in different places.
