Men And Money

More than 3,000 women are diagnosed with cervical cancer every year in the UK.

That 's about nine women a day.

Although it can affect women of all ages, it is most common in women aged 30 to 45.

Ebook What

Every Woman's four  
basic needs are  
security, affection,  
open

communication, and  
leadership. Because  
security is the most  
basic need, we will  
discuss that first.

Security is More Than  
Finances Although  
security is a very  
broad term and  
general in meaning,
