"Duncan Pritchard ' s What is this thing called Knowledge is the best text book as a first introduction to epistemology. The summaries, up-to-date reading suggestions and largely independent chapters make it very easy and flexible to use for instructors and students alike. The new chapters on applied epistemology are a great idea: they show the relevance of epistemology to some of the most ...

This funny thing called pain, just who can solve its mystery? ” Pain, like love, is all consuming: when you have it, not much else matters, and there is nothing you can do about it. Unlike love, however, we are actually beginning to tease apart the mystery of pain. The substantial progress made over the last decade in revealing the genes, molecules, cells, and circuits that determine the ...
