What is a Limited Liability Company? A limited liability company is one option a business has when it is choosing its legal structure, alongside other options like S corporations and sole proprietorships. The characteristics of the limited liability company include limited liability for the owners' assets—their liability is limited to their investment in the business. Income from a limited liability company passes through to owners.

[Limited Liability Company: What Is It?](#)

Limited liability is a legal status where a person's financial liability is limited to a fixed sum, most commonly the value of a person's investment in a corporation, company or partnership. If a company that provides limited liability to its investors is sued, then the claimants are generally entitled to collect only against the assets of the company, not the assets of its shareholders or ...

[Your Limited Liability Company: An Operating Manual by](#)

Limited liability is one of the main benefits of trading as a limited company. Limited liability offers the director a layer of protection against his or her company. In the eyes of the law, a limited company is seen as a complete separate entity from its directors. When it comes to a company experiencing financial issues, limited liability really comes into play.

[Who is liable for business debts in a limited company](#)

The principal reasons for trading as a limited company are limited liability, tax efficiency, and professional status. However, there are a number of other limited company advantages available. Below, we discuss each one in turn. 1. Minimising personal liability. The biggest benefit of forming your own company is limited liability protection.

[Limited company advantages and disadvantages](#)

Form a Limited Liability Partnership Company Online. The LLP is a relatively recent innovation in the business world. It is the latest type of business vehicle to be introduced after having received official Royal Assent in 2000. It can be loosely described as a hybrid between a limited liability company and a traditional self-employment partnership.
