transmitter. I'd suggest ...

Zune Antenna Extension

When a problem arises that prevents your Zune media player from powering on, you could lose an important opportunity share video or audio with a client or coworker. Causes range from the easily ...

How to Troubleshoot a Zune That Will Not Turn On

(CNET)-- Slowly but surely, Microsoft's Zune is staking its claim as a legitimate alternative to Apple's iPod line of MP3 players. Last year, Microsoft focused its efforts on overhauling the Zune ...

Review: Zune music player catching up to iPod

Read Book Zune 1089

Since Microsoft no longer makes new Zune players, you can't exactly go out and buy a new one when yours begins acting strange or buggy. Aside from missing out on your music, a faulty Zune spells ...

How to Set a Zune Back to Factory Default

(CNN)-- Many Zune owners successfully revived their failed music players

Thursday morning, while others were still unable to overcome a leap year-related glitch that caused thousands of the ...

Many Zune owners overcome leap year glitch

Seven years ago yesterday, Microsoft gave birth to the Zune HD, which was meant to be a competitor to Apple's iPod Touch. I would love to tell you that it was the
